SKILLS

- **Jupyter Notebook**
- **SQL**
- **Python**
- **Object Oriented Programing**
- **Networking**
- **Git & GitHub**
- **Tkinter**
- **Software Testing**
- **Microsoft Excel(Data Analysis)**

EDUCATION

- Bachelor of computer application (CS)| Rungta College of science and technology
  CGPA: 7.7 | (2023)
- XII (CGBSE) (commerce)| Sharswati Gyan Mandir HR.SEC. School
  57.5%| (2020)

EXPERIENCE

- **Data Science Intern | Internship Studio**
  (2025)

- Conducted Exploratory Data Analysis (EDA) on real-world datasets using Pandas, NumPy, and Matplotlib**.**
- Worked on the COVID-19 Data Analysis Capstone Project, analyzing global pandemic trends and presenting insights through visualizations.

ACADEMIC PROJECTS

- **Desktop Voice Assistant** – Developed a Python-based voice assistant with NLP and Tkinter UI, enabling web searches and application control.
- **Covid-19 Data Analysis** – Analyzed pandemic trends using Pandas, NumPy, and data visualization techniques to interpret infection patterns.
  Project details

Certifications

- **HTML 5, Python,Django And Flask Framework Full-Stack Certificate | From Udemy**
  (5/3/2025)
  Certification Number — UC-cfb46eb9-6edf-46bd-86f3-59df5871a4b9
  Python Certificate | From GUVI
  (14/8/2023)
  Certification Number – 9164Ow298Q3T64A4B1
- **Data Science Intern | From Internship Studio**
  (24/8/2024 - 24/2/2025)
  Certification Number - ISDSCI1339844
